Enriching educational experiences of Alum Rock students

AREF Showcase June 3, 2014

Summer Art Program

Science & Technology Lab

The Alum Rock Educational Foundation held its annual Showcase at San Antonio Elementary School. Information about our Science & Technology Lab, Summer Art & Teacher Grant Programs, as well as the AR Jazz & Mariachi Programs was available. We also had several schools sharing their AREF Grant funded projects. An Alum Rock Jazz Combo and the *Mariachi Tradicional de Alum Rock* performed during the event. Thank you to everyone who attended and donated to support our programs.
